## FOR IMMEDIATE RELEASE

### **LIFESPAN RESOURCES RAISES OVER \$ 3,500 TO PROVIDE TOILET PAPER TO 800 MEALS TO GO CLIENTS!**

Lucy Koesters, Chief Business Development Officer of LifeSpan Resources in New Albany announced today that over \$ 3,500.00 was raised in just one day, thanks to the generosity of Samtec Cares and individual donors.

The money raised will be used to purchase toilet paper that will be delivered to the 800 meals-on-wheels clients that LifeSpan serves over the coming weeks. Masterson's Catering, a partner with LifeSpan in preparing and delivering the meals, will deliver the toilet paper to the clients at no charge.

Meals to Go! is a program that provides weekly frozen meal delivery to the homebound of Clark, Floyd, Harrison and Scott counties. All of the meals are prepared locally by Masterson's Catering of Louisville and meet 1/3 of the Indiana FSSA/DA daily required nutrients.

"The money raised will be enough to provide toilet paper for these individuals for the next several weeks," stated Koesters, "and we are so thankful to have community minded organizations like Samtec and others, that so quickly accepted the challenge and provided the funds to make this happen. We 'wiped out' the need quickly!"
