Alzheimer's Association Greater Kentucky Southern IN  
(502-473-5342).

## FOR IMMEDIATE RELEASE

### Alzheimer's and Dementia Community Forum Listening Session

**Event:** Southern Indiana – Alzheimer's is listening. Join us in a session on Dementia Discovery  
**Dates & Time:** Tuesday, April 12, 2022; 5:30PM  
**Location:** Ivy Tech conference center, 8204 County Rd 311, Sellersburg, IN 47172  
(Caesars Foundation Assembly Center located on backside of campus) Parking is free.

The Alzheimer's Association is a worldwide voluntary health organization dedicated to Alzheimer's care, support and research. It is vital that we listen to the experiences of the individuals and families most affected by Alzheimer's and dementia and the professionals that serve them; and identify needs and gaps in resources. The Alzheimer's Association hosts annual Community Forum listening sessions to learn more about our constituent's needs, empower communities, establish a network of supporters and build community partnerships. **We are hosting a forum for the benefit of the southern Indiana community on Tuesday, April 12, 2022.**

Join the Alzheimer's Association and community partners: Home Instead, Wellstone Regional Hospital, LifeSpan Resources, Clark Memorial Health, Kindred Hospice Care and Elder Advisors for a Community Forum Listening Session on April 12th at 5:30pm EST.

We welcome you to learn more about the Association's work in our community and share your experiences, needs, and information to help more people in your community get connected to help and support. The meeting is expected to last about 90 minutes offering time for your questions and an opportunity to connect with other community members. Light refreshments will be served.

**Event Details:** Learn more about memory loss, ask questions, and help us learn more about what you need and share your personal experiences related to general health and dementia. **Who Should Come?** Any and all individuals with a dementia diagnosis, their families and professionals that serve the Clark county and surrounding counties community.

The session is free but registration is requested.
