LIFESPAN RESOURCES 2025 HIGHLIGHTS AND ACHIEVEMENTS

Treasuring What Matters - In Every Season

We share a passion for the holidays and the joy that music, decorations, food, wintry weather, and overall goodness and fellowship bring with the onset of the holiday season. It's the "feel good" feeling that we appreciate along with the opportunity to share our memories and treasured moments of the season, warming our hearts and reminding us of times less hectic.

As we enter into 2026, it is our hope to continue that "feel good" feeling throughout the year, not only during the months of November and December. The work we do at LifeSpan Resources ideally provides that "feel good" feeling, letting our community members know we value them and their care; and work to help them live comfortably, safely and independently.

Along those same lines, just as a season can be treasured, so can the value of services and the individuals who provide them. LifeSpan Resources has been a treasured organization for over five decades, supporting individuals in the southern Indiana community who want to remain in their homes but need extra assistance to do so safely. Along the same note, LifeSpan Resources treasures our community members, dedicated and passionate

staff, committed volunteers, and all those who champion the work we do and enable us to have the impact we have.

As another year wraps up and a New Year begins to unfold, we are thankful for the treasures that make the days meaningful, bring hope, goodness and joy to the lives of many, and give reassurance when needed.

Thank you for your treasured support! Best wishes for a healthy, safe and peaceful 2026!

Cheers to you -
